Dear Patients,

It has been my pleasure to serve our community for the past 47 years as an orthopedic surgeon and physician. I have had the privilege of meeting so many people and developing lifelong friendships with many patients. But, now it is time for me to refer my patients to the other competent physicians at Oak Cliff Orthopaedic Associates dba Texas Orthopaedic Surgical Associates.

All your medical records are safely on file at OCOA/TOSA and remain confidential, as per federal law. If you decide to see a new physician outside of our practice, then you may follow the traditional routes to have your records transferred.

Over the past 5 decades, I have watched many families in the area grow and have shared heartache and joy with thousands of patients. I appreciate your loyalty throughout the years and will take the memories of all that I have experienced with me into my retirement.

If you have any questions, you may contact Jessica Malave at the practice. Jessica is custodian of medical records. Her phone number is (214) 941-4243 ext 115. My retirement is effective June 30, 2018. If I do not have an appointment to see you before then, I wish you health and happiness.

Sincerely Yours,
